

## **Research Terms and Conditions (RTC) Implementation by Agency**

<b>AGENCY</b>	<b>IMPLEMENTATION DATE</b>	<b>APPLIES TO</b>	<b>EXCEPTIONS / NOTES</b>
NIH	4/3/2017	All NIH grants and cooperative agreements.	Not all NIH awards will have the automatic carryover provision found in 2 CFR § 200.308(d)(3)). Automatic carryover authority will be indicated on the Notice of Award (NoA).
NSF	4/3/2017	All new NSF grants and funding increments on existing NSF grants.	The RTC will not be applied to NSF cooperative agreements and fellowship awards made to individuals.
DOE	4/3/2017	All new grant and cooperative agreement awards subject to 2 CFR 210 as implemented by 2 CFR 910.	
USDA - NIFA	6/1/2017	All awards (grants, cooperative agreements, and special projects) funded by NIFA except:  1) Capacity Programs 2) the 1890 Facilities Program 3) the Small Business Innovation Research Program 4) awards to individuals.	Existing research, education, and extension awards will continue to utilize the terms and conditions as stated in the award until the award expires unless the award receives a funding increment following June 1, 2017, in which case the core set of administrative terms and conditions and agency-specific terms dated June 2017 will apply to such awards.
NASA	10/1/2017	New awards	
DOC	10/1/2017	All research financial assistance awards subject to 2 CFR Part 200.	Upon the issuance of a funded amendment or renewal, the Government-wide core set of research terms and conditions will be incorporated into the award.
FAA	10/1/2017	All new agreements	Agreements awarded prior to October 1, 2017 will use the terms and conditions stated in the current agreement.
EPA	Dec-17	Research grants and cooperative agreements awarded by the Office of Research and Development.	The standard Research terms and conditions will not apply to research centers, conferences, training projects, fellowships, or awards made as part of the People, Prosperity, and the Planet (P3) program.
