

## KR Protocols – Planned IRB Submission Pause

- **July 17, 2021 – September 6, 2021**
  - August 18<sup>th</sup> : data migration begins
- The pause allows for:
  - HRP Staff to clear the IRB review queue from old system
  - Existing data to merge to the new system
  - HRP staff to be trained on use and function of the new system
- What will be on pause:
  - All department funded protocols of any type unless required for a UCI dissertation or thesis
  - All modifications not necessary for the safety of human subjects
